PROFESSIONAL SUMMARY

Driven and hungry student currently finalizing Advanced Higher Vocational Studies diploma in Full-Stack Web Development and prepared to start a junior position while further developing acquired skills and gaining real-world experience. Curious, competitive, fast-learner and well-versed in JavaScript/NodeJS/Databases. An including individual who likes to listen in to everyone's points and suggestions. Looking for a place to grow as both a person and a developer!

WORK HISTORY

Internship, 10/2019 to 03/2020
Iteam Solutions AB - Stockholm
Backend/DevOps consultant working in different teams.

- Developed, coded and updated applications and sites for clients such as V3VO and UrbanGirlsMovement
- Used programming capabilities in JavaScript & SQL and other libraries such as NodeJS, Docker, Kubernetes, React, VueJS as needed
- Took concepts and produced design mockups and prototypes to strengthen designs, enhance user experiences and improve site interactions
- Tested websites and performed troubleshooting prior to deployment

Head Chef, 02/2016 to 02/2018
Paradiset Matmarknad - Stockholm

- Collaborated with vendors to source desired recipe ingredients while maintaining tight cost controls
- Scheduled and received food and beverage deliveries, adhering to food cost and budget, serving 300+ lunches per day
- Generated employee schedules, work assignments and determined appropriate compensation rates
- Inventoried food, ingredient and supply stock to prepare and plan vendor orders
- Maintained high food quality standards by checking delivery contents to verify product quality and quantity

EDUCATION
